

American Red Cross

Illinois Capital Area Chapter

You can't stop a tornado.
You can't predict an IT failure.
You can't control an ice storm.

But your business and employees can be ready.

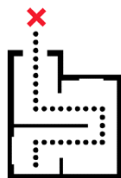

Be Red Cross Ready

Preparing for a business interruption before it strikes is vital

Is your workforce ready? How many of your employees have done the following:

Get A Kit

Make A Plan

Be Informed

Contact the American Red Cross at (217) 787-7602 or visit www.il-redcross.org for more information about business continuity planning and workforce preparedness.
