## **July Business Emergency Planning Alliance Meeting**

**Springfield, IL:** The Business Emergency Planning Alliance (BEPA) will hold the next meeting Wednesday, July 5 from 8:00 a.m.– 10:30 a.m. at Evans Disaster Restoration Learning Center, 2831 Farmers Market Road.

The meeting will focus on the drug testing process. The session will provide attendees with information and scenarios that can assist human resource management in evaluating your company's current substance abuse/drug policies. The featured speaker will be a representative from Midwest Occupational Health Associates (MOHA), an occupational health practice that serves employers throughout the State of Illinois.

The seminar is FREE to BEPA members and \$10.00 for non-members. Breakfast will be provided. To make your reservation for the seminar, please call (217) 787-7602 x235 or email [jellington@il-redcross.org](mailto:jellington@il-redcross.org) by Wednesday, June 28.

The Business Emergency Planning Alliance continues to hold monthly workshops in order to assist the community in developing a concrete business continuity plan in the event of a disaster. The workshops provide appropriate tools and resources to begin, develop, test and maintain a disaster preparedness plan.
