May Business Emergency Planning Alliance Meeting

Springfield, IL: The Business Emergency Planning Alliance (BEPA) will hold the next meeting Wednesday, May 10 from 8:00 a.m.– 10:30 a.m. at Evans Disaster Restoration Learning Center, 2831 Farmers Market Road.

The meeting will provide community members the opportunity to share their business continuity experiences following the recent series of severe storms. Facilitated by community experts, the roundtable discussion will allow participants to evaluate their businesses' response to the situation, recognize success stories, and improve upon existing business continuity plans.

The seminar is FREE to BEPA members and \$10.00 for non-members. Breakfast will be provided. To make your reservation for the seminar, please call (217) 787-7602 x235 or email jellington@il-redcross.org by Wednesday, May 3.

The Business Emergency Planning Alliance continues to hold monthly workshops in order to assist the community in developing a concrete business continuity plan in the event of a disaster. The workshops provide appropriate tools and resources to begin, develop, test and maintain a disaster preparedness plan.
