American Red Cross Provides Canteen in Response to Springfield Fire

Springfield, IL: The American Red Cross Illinois Capital Area Chapter responded to a fire at 2167 South Sixteenth St. tonight, providing canteen support – food and refreshments – to approximately 25 emergency services personnel.

At this time, the American Red Cross Disaster Action Team members have not met with any individuals who lived in the dwelling. Contact information to reach a Red Cross caseworker has been left. Red Cross caseworkers are on-hand 24 hours per day, seven days a week to meet with victims of disaster.

Fire safety tips for the home:

- Install smoke alarms inside and outside each sleeping area, right outside the kitchen, and on every level of your home.
- Test smoke alarms once a month by pushing the test button on each alarm. If it does not work, replace the battery and test again. If it still does not work, replace the alarm.
- Replace the battery in all smoke alarms at least once a year.
- Replace smoke alarms that are 10 or more years old.
- Draw a floor plan for each level of your home. Pick two ways out of each room. Practice escaping from each room twice a year.
- Plug only one plug into each electric outlet.
- Run extension cords only on top of floors and carpets-not under them.
- Have the heating system checked by a professional once a year to make sure it is in proper working order.
- Have chimney(s) and flue(s) inspected once a year by a professional and cleaned as recommended.
- Use flashlights for emergency lighting if you lose power. Do not use candles.

On average, the Red Cross, Illinois Capital Area Chapter responds to a disaster every three days. Last year alone responding to more than 115 disaster incidents, including 104 house fires, 2 incidents of flooding, 1 winter storm, 1 windstorm, 1 transportation accident, and 6 other incidents, providing emergency assistance to 534 individuals.

The community can help those affected by future disasters by making a contribution the Local Disaster Relief Fund. All American Red Cross disaster assistance is free, made possible by voluntary donations of time and money from the American people.
