

you can't stop a tornado.

you can't predict an IT failure.

you can't control an ice storm.

but your business and employees can be ready.

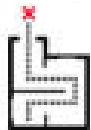

Be Red Cross Ready

Preparing for a business interruption before it strikes is vital for your business' strength

Is your workforce ready? How many of your employees have done the following:

Get a kit.

Make a plan.

Be informed.

Contact the American Red Cross at (217) 787-7602 or visit www.il-redcross.org for more information about business continuity planning and workforce preparedness.
